

# LoziLight<sup>®</sup>

Effortlessly convert Lozier retail shelves into brilliantly lit product displays

LoziLight<sup>®</sup> transforms standard retail shelves into eye-catching displays to dramatically enhance your product's visibility.

Offering quick and hassle-free installation, LoziLight<sup>®</sup> seamlessly attaches to your retail metal shelf with integrated magnets.

Low cost. Fast installation.

## Economical

LoziLight<sup>®</sup> lets you avoid the expense of purchasing and installing lit shelving.

Instead, convert your existing shelf into an illuminated display. Installation is completed in a snap.

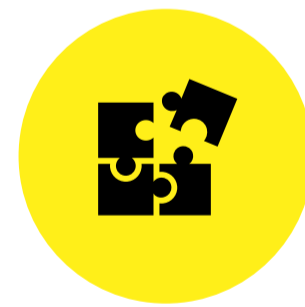

## Quick

Enjoy crisp, brilliant illumination without the need for additional tools or complicated installations.

Simply position LoziLight<sup>®</sup> against your Lozier shelf surface. Its integrated magnets snap to the metal—no need for clips, screws, or additional magnets.

## Quality

LoziLight<sup>®</sup> has been engineered to seamlessly integrate with Lozier shelving. The result? A perfect fit and premium performance.

It's cut to accommodate standard Lozier shelf sizes.

LoziLight<sup>®</sup> features high quality light, using Tier 1 ANSI Binned LED strips and a high CRI.

# Let your products shine.

With beautiful downlighting, right on your own shelving.

## Under shelf lighting

Clean, crisp and bright LED light that high-lights your products.

## Durable

High impact cover for rugged under shelf use.

## Magnetic Cable Management

Both the lighting itself and wire management channels contain integrated magnets for fast, tool-free installation.
